Wednesday, September 26

08:30-12:00: Registration

09:00-10:00: Invited talk by Invited speaker 3

10:00-10:30: Coffee break

10:30-12:10: Remote sensing

- **Paper 133: Enhanced Codebook Model and Fusion for Object Detection with Multispectral Images**
  Author(s): Rongrong Liu, Yassine Ruichek and Mohammed El Bagdouri

- **Paper 141: Unsupervised Perception Model for UAVs Landing Target Detection and Recognition**
  Author(s): Eric Bazán, Petr Dokládal and Eva Dokládalová

- **Paper 166: Parallel and Distributed Local Fisher Discriminant Analysis to reduce Hyperspectral Images on Cloud Computing Architectures**
  Author(s): Rania Zaatour, Sonia Bouzidi and Ezzeddine Zagrouba

- **Paper 190: Bayesian Vehicle Detection using Optical Remote Sensing Images**
  Author(s): Walma Gharbi, Lotfi Chaari and Amel Benazza-Benyahia

12:10-14:00: Lunch

14:00-16:00: Poster Session 2

16:00-16:30: Coffee break

17:00-19:00: Guided Tour of the city of Poitiers

    Included in the registration fee.

19:00-22:00: Conference dinner

    The dinner will take place in restaurant Les Archives. The address is: 14 rue Edouard Grimaux, Poitiers
    Included in the registration fee.
